## Patient Access List (PAL)

### Review Lab Results from PAL

1. In the Notification section of the PAL, **scroll** right to locate the Lab column.
2. Double-click on the **clipboard icon**.

## Flowsheet

### Change Flowsheet Date Range

1. Right-click the blue **Clinical Range** bar.
2. Click **Change Search Criteria**.
3. Click **Result Lookup** option
4. Enter **From/To** dates (if appropriate).
5. Click **OK**.

### Graph Results

1. Click **Recent Results** or **Lab** tab.
2. Click the **check box** next to the result(s) to be graphed.
3. Click the **Graph** toolbar button.

## Orders Screen

### View Result Details

1. Click the order in the Order Name column.
2. Click the **Results** tab.
3. Double-click the result **cell**.

## IVIEW/I&O

### IVIEW Flowsheet

1. Right-click the result **cell**.
2. Click **View Result Details**.

## Form Browser

### Open Form from Form Browser

1. Double-click the **Form icon**.
2. From the Navigator, click the desired **section(s)**.

**Note:** Forms can be sorted in different configurations. Select the desired Sort by option from the drop-down list.

## Documents

### Change Document View

1. Right-click the blue **Clinical Range** bar.
2. Click **Change Search Criteria**.
3. Click **Filtered By** option
4. Enter **From/To** dates (if appropriate).
5. Click **OK**.

**Note:** Documents can be filtered to include only the current encounter.

### View Document

1. Double-click the highest **folder** in the index tree.
2. **Expand** the folder structure to locate the document.
3. Double-click the **document**.

**Note:** Rest the mouse cursor over the document to view the name of the test or procedure.

**Remember: Each time you open a patient's chart, your name displays on the Patient Provider Relationship (PPR) screen.**

**If you do not have a legitimate reason for accessing a patient's chart, do not open it!**

## Overview

### This Visit Tab

1. Double-click the desired **document**.
2. View the **results** on the right-hand Details pane.

### Since Last Time Tab

1. Double-click the desired **result** or **document**.
2. View the **results** on the right-hand Details pane.

## Patient Care Summary

### Results Available

1. Critical Labs (One Day).
2. 36-hour flowsheet (can be customized).

## Encounter Summary

### Orders/Test Results This Visit

1. Click the desired **link**.
2. Click the **Results** tab.

## Change Encounters

1. From the Menu, select **Pt Info**.
2. Click the **Visit Summary** tab.
3. Right-click the desired **encounter** (visit).
4. Click **Change Encounter**.
5. Click **OK**.
